

Print Existing Files

Print directories of image files in one batch.

Quick Tips

Breeze will print all supported file types with the selected directory. Print PDF, TIF, JPG, etc. in one step.

The information printed onto the Slip Sheet is

File Name: The name of the file being printed

Pages: The number of pages within each file

Printing Slip Sheets is optional

Required settings before [GO] button is available:

- (1) Select the Directory you wish to print
- (2) Select Printer
- (3) Select either "Print All Documents " or "Print Document Range"
