

Print First Page
Print only the first page of each image file in the selected directory in one batch.

6
breeze

Quick Tips

Breeze will print the first page all supported file types within the selected directory. Print PDF, TIF, JPG, etc. in one step.

The information printed onto the Slip Sheet is

File Name: The name of the file being printed
Pages: The number of pages within each file

Printing Slip Sheets is optional

Required settings before [GO] button is available:

- (1) Select the Directory you wish to print
- (2) Select Printer
- (3) Select either "Print All Documents " or "Print Document Range"
