

Print OPT Volume
Use the load file to print blow backs of a OPT volume.

Quick Tips

Breeze will print the image files of the selected OPT file. Using the information within the OPT file, Breeze will insert Slip Sheets at each document break during the printing.

The information printed onto the Slip Sheet is

Doc ID: The image tag for each document record
Pages: The number of pages within each document

Printing Slip Sheets is optional
Required settings before [GO] button is available:

- (1) Select OPT
- (2) Select Printer
- (3) Select either "Print All Documents " or "Print Document Range"
